

<input type="checkbox"/> <b>Component</b>		<input type="checkbox"/> <b>Module</b>		<input type="checkbox"/> <b>Kit</b>		<input type="checkbox"/> <b>System</b>	
<b>Short description of the application:</b> (enclose drawings or diagrams, if possible)							
<b>Position measurement</b> <input type="checkbox"/>		<b>Path measurement</b> <input type="checkbox"/>		<b>Required stroke</b> (mm)			
<b>Incremental</b> <input type="checkbox"/>		with reference <input type="checkbox"/>		<b>Resolution</b> (µm)		<b>Repeatability</b> (µm)	
<b>Absolute</b> <input type="checkbox"/>						<b>Absolute accuracy</b> (µm)	
<b>Rotational speed</b> (rpm) / <b>Linear speed</b> (m/s)							
<b>Desired supply voltage</b> (V)				<b>Current consumption</b> (mA)			
<b>Output signal</b>		analogue <input type="checkbox"/>		A/B-TTL signals <input type="checkbox"/>		others	
<b>Connections</b>		Soldered connection <input type="checkbox"/>		Cable (type)		Connector (type)	
<b>Design of sensor electronics</b>		PCB <input type="checkbox"/>		Encapsulated <input type="checkbox"/>		Housing (type)	
<b>Max. dimensions L*B*H</b> (mm)			Sensor electronics			Measurement scale	
<b>Environmental conditions and standards</b>							
Operating temperature (°C)				Qualification (standards)			
Humidity				Solvents or corrosives			
Magnetic interference (kA/m)				Necessary protection class			
Electrical interference (V/m)				others			
<b>Required quantities and dates</b>							
Sample (pcs.)		Sample (when)		Release (when)			
Pre-series (pcs.)		Pre-series (when)		Release (when)			
Series (pcs./year)		Series (when)					
<b>Target price for the series</b> (EUR/pc.)				<b>Enquiry date</b>			
<b>Notes</b>							
<b>Enquiry from:</b>				Land			
Company				Name, Christian name			
Town, Postal code				Street, number			
Phone			Fax			E-Mail
